

PBS150
POLYFUNCTIONAL
BRANCHED SURFACTANT

INJ

**Injectable
Multi-Branched
Long-Term
Surfactant**

GENERAL INFORMATION

PBS150 INJ is an injectable long-term soil surfactant formulated to provide a sustainable uniform soil moisture profile with extended soil re-hydration. **PBS150 INJ** is easy to use and will not harm turf when used in accordance with product directions. When used as directed, **PBS150 INJ** can be applied at anytime of the year when water repellency and/or localized dry spots impact the vigorous appearance of turfgrass.

CONDITIONS OF SALE

WARRANTY AND LIMITATION OF LIABILITY

AQUA-AID, INC. (Seller) warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with the stated directions under normal conditions of use. Buyer assumes the risk of any use contrary to such directions. Seller makes no other express or implied warranty of FITNESS or of MERCHANTABILITY, and no agent of Seller is authorized to do so except in writing with a specific reference to this warranty. In no event shall Seller's liability for any breach of warranty exceed the purchase price of the material as to which a claim is made.

AQUA-AID GUARANTEE

PBS150 INJ comes with a 100% money back guarantee. If you are not satisfied with PBS150 INJ for any reason after trying the product at recommended rates, AQUA-AID, INC. will refund your money in full.
