Read Directions

Net Weight: 6 ounces (170 grams)

DIRECTIONS FOR USE:

Insert one **Aqua-Root** Pellet, with container, into the PROportioner jar and use when hand watering and/or syringing. One **Aqua-Root** Pellet will cover 2 to 5 average size greens, up to 25,000 ft² (2,322 m²). Apply **Aqua-Root** Pellets as needed.

The flow of water through the PROportioner should follow the molded arrow. Please note some applicators have the flow opposite the molded arrow.
