

GRANULAR

# Multi-Branched Long-Term Soil Surfactant

**PBS150** Granular is a long-term surfactant utilizing a unique multi-branched surfactant molecular structure to address the source of performance loss – biodegradation of the surfactant molecule by soil microbes. This increased performance can reduce hydrophobic conditions on a sustainable basis for up to 150 days. **PBS150** Granular can also restore the uniform movement of water into and through the soil profile. When used in accordance with product directions, **PBS150** Granular is easy to use, will not harm turf, and can be applied at anytime of the year to avoid the detrimental impact of water repellency stress and localized dry spots. **PBS150** Granular is safe to turf when used as recommended.

### CONDITIONS OF SALE WARRANTY AND LIMITATION OF LIABILITY

AQUA-AID, INC. (Seller) warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with the stated directions under normal conditions of use. Buyer assumes the risk of any use contrary to such directions. Seller makes no other express or implied warranty of FITNESS or of MERCHANTABILITY, and no agent of Seller is authorized to do so except in writing with a specific reference to this warranty. In no event shall Seller's liability for any breach of warranty exceed the purchase price of the material as to which a claim is made.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.htm>

### HAZARD STATEMENT(S)

May cause respiratory irritation.

### PRECAUTIONARY STATEMENT(S)

Keep out of reach of children. Read label before use. Avoid breathing dust. Use only outdoors or in a well-ventilated area. IF INHALED: Remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or physician if you feel unwell.

Warning

### RECOMMENDED SPREADER SETTINGS\*

BRAND / TYPE	SPREADER SETTINGS - lbs/1000 ft <sup>2</sup> (kg/ha)	
	2.5 lbs. (120 kg)	4 lbs. (200 kg)
Scotts (Pro Turf) R8A / rotary	G	J
Spyker / rotary	3.5	4.4
Earthway / all rotary models	9	12

\*To assure accurate applications, calibrate your spreader periodically.

Weight to Volume Equivalents for PBS 150 Granular Formulation:  
4.0 lbs. = 8 fl.oz. of PBS 150 Liquid  
200 kg = 26 L of PBS 150 Liquid

### CONTAINS NON-PLANT FOOD INGREDIENT:

<b>Active Ingredient</b>	13.5%	Octahydroxy polyoxalklene polymers
<b>Inert Ingredient</b>	86.5%	Porous ceramic carrier

**PBS150** Granular should be applied early in the season before localized dry spot conditions and formations occur.

### DIRECTIONS FOR USE

#### Greens and Tees

Apply three applications of **PBS150** Granular at 2.5 lbs per 1000 ft<sup>2</sup> (120 kg/ha) at 30 day intervals. Irrigation is necessary to release **PBS150** from the carrier. Irrigate before next mowing or leave baskets off. Reapply **PBS150** after 120 days from last treatment, or as needed, if climatic conditions still exist for the formation of water repellency conditions.

#### Fairways, Bunker Faces, Collars, Rough, Lawns and Sports Turf

#### Single Application: (60 to 75 days active)

Apply **PBS150** Granular at 4 lbs per 1000 ft<sup>2</sup> (200 kg/ha). Irrigation is necessary to release **PBS150** from the carrier. Irrigate before next mowing or leave baskets off. Reapply **PBS150** Granular after 75 days, or as needed, if climatic conditions still exist for the formation of water repellency conditions.

#### Split Application: (90 to 150 days active)

Apply **PBS150** Granular at 4 lbs per 1000 ft<sup>2</sup> (200 kg/ha). 7 to 10 days later apply a second application of **PBS150** Granular at 4 lbs per 1000 ft<sup>2</sup> (200 kg/ha). Irrigation is necessary to release **PBS150** from the carrier. Irrigate before next mowing or leave baskets off. Reapply a split application of **PBS150** Granular after 150 days, or as needed, if climatic conditions still exist for the formation of water repellency conditions.

### AQUA-AID GUARANTEE

PBS 150 Granular comes with a 100% money back guarantee. If you are not satisfied with PBS 150 for any reason after trying the product at recommended rates, AQUA-AID, INC. will refund your money in full.
