

GRANULAR

Horticultural Root Substrate Surfactant

REGULATOR Granular is Regulator Liquid impregnated on vermiculite. **REGULATOR** Granular is designed to help remedy the effects of water repellency in soilless mixes. Using **REGULATOR** Granular will allow for uniform wetting and more efficient use of applied water from initial planting until end user delivery.

CONDITIONS OF SALE WARRANTY AND LIMITATION OF LIABILITY

AQUA-AID, INC. (Seller) warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with the stated directions under normal conditions of use. Buyer assumes the risk of any use contrary to such directions. Seller makes no other express or implied warranty of FITNESS or of MERCHANTABILITY, and no agent of Seller is authorized to do so except in writing with a specific reference to this warranty. In no event shall Seller's liability for any breach of warranty exceed the purchase price of the material as to which a claim is made.

AQUA-AID GUARANTEE

REGULATOR Granular comes with a 100% money back guarantee. If you are not satisfied with REGULATOR for any reason after trying the product at recommended rates, AQUA-AID, INC. will refund your money in full.
