

AQUA·AID
**Dew
Suppressant**

GENERAL INFORMATION

reDEWce, dew suppressant and canopy moisture inhibitor, is designed to control the formation and retention of moisture on turf from dew and frost. **reDEWce** will also allow for faster turf canopy drying after irrigation, rainfall or frost. Mowing frequency and turf growth rates will contribute or detract from the efficacy of **reDEWce**. Dew suppression will last for a period of 5 to 14 days depending on areas mowed.

CONDITIONS OF SALE

WARRANTY AND LIMITATION OF LIABILITY

AQUA-AID, INC. (Seller) warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with the stated directions under normal conditions of use. Buyer assumes the risk of any use contrary to such directions. Seller makes no other express or implied warranty of FITNESS or of MERCHANTABILITY, and no agent of Seller is authorized to do so except in writing with a specific reference to this warranty. In no event shall Seller's liability for any breach of warranty exceed the purchase price of the material as to which a claim is made.

AQUA-AID GUARANTEE

reDEWce comes with a 100% money back guarantee. If you are not satisfied with reDEWce for any reason after trying the product at recommended rates, AQUA-AID, INC. will refund your money in full.
